HOME OF THE FEDOROV HOCKEY ACADEMY

2027 SUMMER HOCKEY CAMP

For over 32 years, the Fedorov Hockey Academy has been family-owned and operated, providing players with a unique and challenging hockey development experience. Under the direction of Fedor Fedorov, retired NHL/KHL player, and our experienced team of hockey coaches and instructors, FHA combines elements of American and Russian hockey training to help players become more confident, complete, and accomplished athletes.

Our program is built around individual skill development, structured repetition, and high-quality instruction. Our training methods emphasize the fundamentals that give players an advantage on the ice and prepare them for the upcoming hockey season.
